### **MISSION STATEMENT**

(January, 2007)

*Founded in 1952, the Sauk Prairie Trap & Skeet Club is a member-owned, volunteer-managed, open-to-the-public organization that promotes the safe, ethical, and sportsmanlike use of firearms (shotguns) for the clay target sports, including activities for competition, recreation, and public (adult and youth) education, instruction, and mentoring.*

#### **The mission of the Sauk Prairie Trap & Skeet Club is to:**

Manage and maintain a modern, safe, cost-effective, and environmentally compatible facility that fosters the shotgun shooting sports and provides competitive and recreational opportunities for experienced and novice shooters.

Host state and nationally sanctioned competitions for local and regional shooters in the shotgun shooting sports, including trap and skeet.

Provide opportunities for education, training, and mentoring of youth and adults in the safe, ethical, and responsible use of firearms for competition, recreation, and hunting.

Encourage growth of club membership while maintaining public access to the club's facilities for recreational and educational purposes.

Operate the club in a manner that will generate retained earnings to provide for future capital improvements and club preservation while maintaining the costs of shooting by individuals at affordable rates.

Provide and encourage a sense of ownership, cooperation, and sportsmanlike attitude among club members that projects a positive and professional image to club guests, the local community, and the non-shooting public.
